YOUTH CANNABIS DIVERSION PROGRAM

is designed to provide youth (age **12-18** years) with an online digital experience program that educates youth about the risks associated with cannabis use at their stage of development. It also provides youth with information to enhance their understanding of Ontario laws related to cannabis. It promotes confidence and self-awareness for youth to assess the impacts of cannabis use to make positive choices.

REFERRAL

Law Enforcement personnel, Prosecutors and Courts can refer youth (ages 12 - 18) who contravene Section 10 of the *Cannabis Control Act, 2017* to the Youth Cannabis Diversion Program. Youth can be referred by submitting a completed referral form to Springboard Services.
